

Ca/Ca RANGE

Ready to use

Calcium/Calcium battery range is designed to offer higher starting power and a longer service life. Ready to use and easy to install, Ca/Ca battery will not require any acid handling. Its design allows it to have a low water consumption and no maintenance will be necessary during its entire service life.

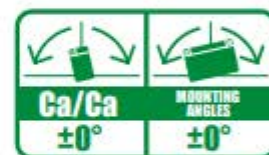

FEATURES

- Calcium technology
- Ready to use
- 100% maintenance free
- Increased power & extended service life
- High vibration resistance
- Lightweight polypropylene container
- Heat-sealed container with flat top cover
- Venting systems
- Handle & "magic eye" charge indicator

COMPATIBLE CHARGERS

- Fulload 1000
- Fulbank 2000
- Fulload F4
